5. Discussion items

a. UCLC Budget Spending Guidelines

Preliminary Guidelines passed out. Lobby and activities fees are separate.

b. CEC Presentations (Campus Election Commissions)

Troy- Quick overview. We can have elections that pass fees to students. Want to have fees for graduate students. Need 15%. Another way we can get the 15% is by passing it here and then it'll get on the ballot.

Leslie- Children's center. Provides proper child care. Right now $3/qtr. Want it to be $6/qtr. Money goes to subsidize student care tuition. Infant, toddler, and preschool are being served. Wait list for all three. Fund for two years. leslie.vass@sa.ucsb.edu

Counseling and career services- look at handout. Scheduled to lose more. Will require them to cut 2 part 2 full time students. Graduate students use psychology counselors heavily. Eventually, not giving them money (5.85) GSHIP will have to cover this more. Not paying fees will mean services will go away.

c. Graduate Student Safety Issues and Concerns

Skateboard control. More lighting (career counseling, bike path, Storke Tower). Make emergency phones more available. CSO. Better warnings for construction. Contact vp-academic-affairs@gsa.ucsb.edu

d. GSHIP Menu Suggestions
gship@gsa.ucsb.edu. Information can be found in the student health website.
